

Build a sense of community and positive environment with all staff and students

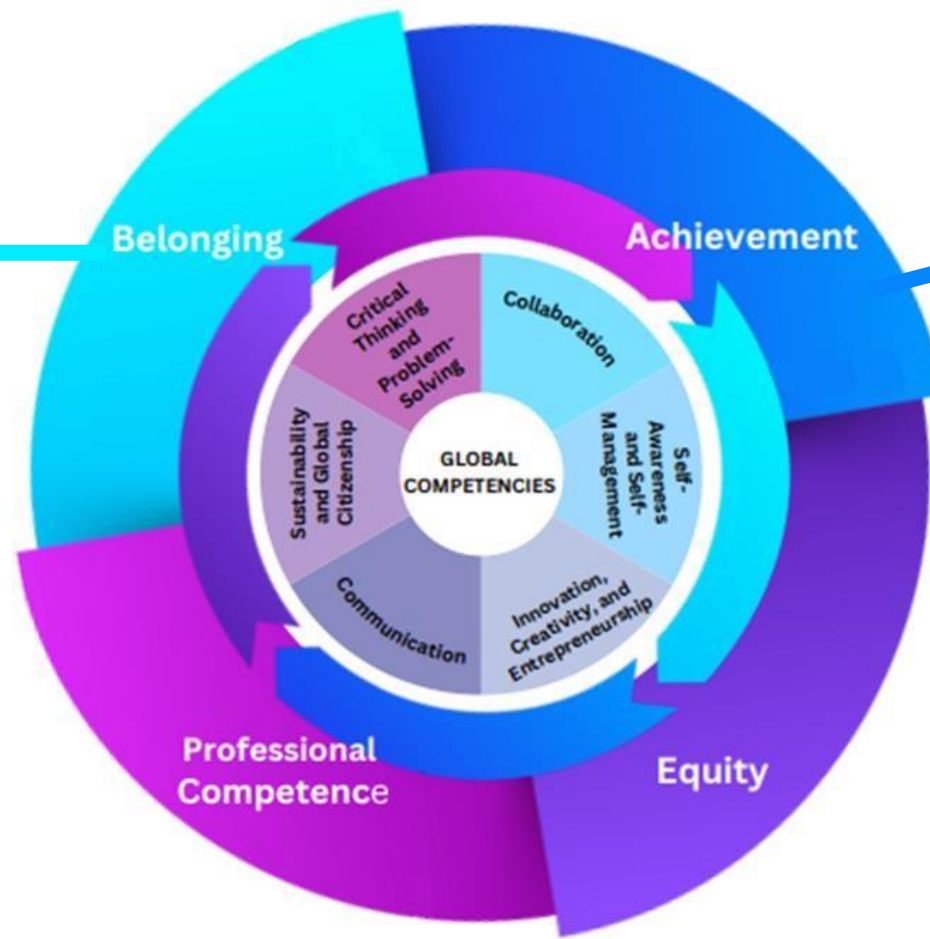

Foster enjoyment and academic success for all students in the subject of Numeracy

Goal:

Learning Environment:
Continue building our PBIS school

- Monthly PBIS meetings with whole staff
- Monthly PBIS assemblies celebrating students
- Weekly data collection of specific areas of behaviour
- PBIS incubator school – year 2

Goal:

Instructional Strategies:
Improve numeracy skills by navigating the new holistic curriculum

- Use math assessments, formative and summative, to guide instruction
- Use a balance of whole class, small group and individual instruction and assessment
- Creative lesson planning which includes holistic and cross curricular aspects

Lawrence Station Elementary School

School Improvement Plan 2025-2026

Description: Foster enjoyment and academic success for all students in the subject of Numeracy

Goal: Instructional Strategies: Improve numeracy skills by navigating the new holistic curriculum

Strategies:

- Use math assessments, formative and summative, to guide instruction
- Collecting frequent math data
- Use a balance of whole class, small group and individual instruction and assessment
